Season's Greetings!

Well, it's that time of the year again! Hard to believe that this year has passed by so quickly. Hope you are well prepared for the break.

To sum up the year, it has been a very productive and busy one for us, and hopefully for you too. Our membership continues to grow, our workshops increased in many states and we now have a new President.

The website is now up and running. Please take the opportunity to have a look. We have also added a new section for positions vacant which is updated regularly. This was created

due to the increase in organisations looking for quality instructors. So it is definitely worth having a look at., especially for all of you newly certified instructors!

The Pilates Alliance is now looking forward to a very busy 2006.

We are expanding the number of foundation workshops that are available to members across Australia next year with eight workshops planned across NSW, QLD, VIC, ACT, WA. Plus, we are negotiating with our Educational Body Members to offer discounted CEC opportunities within their ongoing education

schedules.

We also have plans to expand our newsletter to include articles of interest next year. If you have any ideas or would like to contribute, please contact administration.

Finally, our administration office will be closed during the Christmas break from the 21/12/05—2/1/06.

So relax, hope for great weather and make sure you get lots of rest over the break to prepare for a prosperous 2006.

Have a safe and happy Christmas and New year. *Rachel Szabo*
